Cohiba Siglo VI Pre-light has excellent draw with hay and leather. Flavor was medium strong throughout and didn't progress until the last third. Constant honey, hay and bean flavors but with too much youth.	38.00
Epicure No. 2 Immediately you get a bread and caramel flavor that is really nice and flavorful. The last half of the cigar becomes even more flavorful. A nice cocoa note and light roast coffee entered, which really worked well with the other flavors. The caramel and cedar notes came more into the forefront as the white pepper faded in and out.	18.00
Montecristo No. 4 Coffee, cocoa and vanilla flavours blended in great harmony with a medium tobacco taste. A minimum ageing of at least three years is recommended for this cigar to find its real potential.	16.00
Romeo y Julieta Luxe No. 3 Cedros de Luxe series are very underrated cigars, as they have to be properly aged before smoked. Some veteran smokers say that these ones can be real gems in a few years if they are well aged. Main characteristics some leather and white pepper notes and a good draw and combustion.	15.00
