

Our Bar Philosophy

At The Brasserie we aim to use the freshest local ingredients, whether it be from our own organic garden or from the local Cayman farming community.

All our syrups, infusions, grenadine, purees, sweet & sour, as well as our selection of artisanal liqueurs, bitters and many other specialty items are homemade.

Our offerings are subject to change daily based on the availability of ingredients and we appreciate your understanding if we do not have what you are looking for on the menu.

If you don't see a menu item you like, please ask our skilled bartenders to create something unique, based on your preferences.

Finally, the pursuit of quality cocktails is an endeavour that requires time, so patience with your bartender is greatly appreciated.

We hope you enjoy your experience.
